

CHRISTMAS 2013, Our 60th Year

The **McPHERSON TREE FARM** is pleased to announce a unique and special opportunity for friends of the **Yoe Fire Department**. This year, begin - or in some cases continue, a family tradition with us by selecting a Douglas Fir **CHRISTMAS TREE** from a quality supply of hand pruned, York County grown trees.

After selecting a tree in the field where it has grown for the last 8 to 10 years, let us know and we will cut it (drill/net, if desired) and take it to your car. Present us with the completed coupon found below, and we'll donate \$5.00 in your name to **Yoe Fire Department**. Please note: only one coupon per tree.

We will be open from 1:00 to 4:00 on Fridays & 8:00 to 4:00 Saturdays & Sundays on the following dates: Nov. 29, 30 & Dec 1; Dec. 6, 7 & 8; Dec 13, 14 & 15; and, Dec. 20 & 21. Trees are priced at **\$5 per foot** (including tax) and range in height from 4 to 14 feet. Upon request, we will net and/or drill your tree at no charge. Free holly and greens in a limited supply are available. Stand-strait (pin type) tree stands are just \$30 and removal bags are \$2.

Come visit us - bring the family, the camera, even the dog - and help support **Yoe Fire Department**.

Sincerely,

McPherson Tree Farm
